PRESIDENT JIM'S REPORT

Well we are getting some spring weather finally. March was mild more like May than March. Then April cooled off and no rain. A lot of farmers in this area started to plant corn in late March. They were ready, but didn't know if was time or not. Once one of them broke the ice, they all started. Most all of the corn is planted and some of the beans. We finally got some rain April 28, and again on April 30. Now they can plant the beans when they get back in the field. I didn't help much this spring. I hauled a few loads of seed beans to the processor in early April and I ran small errands.

Bob and Donna Miller, and Sally and I sponsored the April Presidents And Queen's meeting on April 15th at Rico's Restaurant in Rensselaer, Indiana. One plane flew in from Florida. Joyce & Wendell Rust flew in with a strong south wind, but they were able to land. There was good attendance, since most of the members are back from Florida.

We made a trip to Springboro, Ohio last weekend to see our two grandsons, a great-grand daughter, and our great-grandson. Our grandson, and his son flew up from Florida to visit. He just returned from a deployment in Kuwait. We feel very fortunate as they are all well.

We will be able to attend the Woman of the Year fly-in on May 20, but I am not sure we will be able to go to Danville, Illinois on the 26th. I go in the 22nd to get a knee replaced it will depend on the recovery, I am not looking forward to this, but I feel lucky they were able to find replacement parts for a 1936 model knee.

Until we meet again good-bye and good luck.

James Kellenburger, Indiana President

QUEEN DONNA'S REPORT

Greetings,

I want to thank all that came to Indiana President and Queens day. We didn't have a big crowd as it was really windy. Wendell and Joyce were the only ones to fly and they came from Florida that morning. Wish to thank Bob and Deloris for coming from Illinois. Especially want to thank Jim and Sally as they got everything around and the speakers.

The speakers were from Brodbeck Seeds, a company owned by Dow Chemicals. The flowers and cupcakes were from the Kellenburgers and Millers.

I got an early Mothers Day present this week. Kenny and Deb gave me a three-wheel bike so I'm learning to ride it.

Hope to see you at International Woman of the Year, Joyce Rust's fly-in at their farm on May 20 at 1 PM EST. Then there is Queen & Woman of the Year and Presidents Day in Illinois on May 26.

Kenny has been planting corn. He hopes it warms up before long so can grow.

Have safe flying and farming.

God Bless, Queen Donna

REGION 3 DIRECTOR REPORT

"I had made statements in the past that I'd rather be mowing grass than shoveling snow, this year I mowed the grass but not much snow was shoveled."

Region 3 Report - Bob Lyme
March 30, 2012

Hello again from the sunny south:

The weather has been great down here this year; my computer shows the temperature in Greenville Ohio when I turn it on and several days it was within a few degrees of being as warm as what we drove 1100 miles to experience. I had made statements in the past that I'd rather be mowing grass than shoveling snow, this year I mowed the grass but not much snow was shoveled. The weather has been so warm that a lot of field work was done in March. I'm wondering if the farmers are going to have a lot problems with insects.

Since my last report Janice and I attended Don & Sally Apple's fly-in on Feb. 11th at their winter home near Dundee Fl. The 17th of March we were at the Crossroads Restaurant in Venice Fl. for the last FFF fly-in of the 2011-2012 season. The fly-in was arranged by Al Wadley, assisted by Bob & Florence Lutes and Art and Mary Gruber.

Mary Gruber is working on the Region 3 Tour Aug. 10 - 12 at Van Wert Ohio. Tentative tours include: Wellman Seed, process soybeans into tofu which goes

mainly to Japan, Wind Turbine Farm [Van Wert area has 200 + Wind Turbines], Thomas Edison Center, solar powered, Fire Department Museum. Because of the Annual Lincoln Highway Garage Sale the tour weekend the motel would only block rooms until May 1st. The motel # 419 - 238- 2600, \$94 plus tax.

The annual Michigan/Ohio convention will be held at Adrian Michigan at the Carlton Lodge, 1629 West Maumee St., Phone 517-263-7000, \$95 plus tax. Registration is \$75 per person, send to Duane Dysinger at 1307 Ellsworth Rd. Perry Michigan 48872.

Janice and I plan on heading north the 29th of April, with a stop to see a niece at Charlotte, North Carolina, and a second stop at Concord, North Carolina for a one day tour of several NASCAR race shops. Something we've been wanting to do for several years and decided we weren't getting any younger. My next goal is to get Don Leis to Kentucky speedway to see if he can beat my speed of 2 years ago.

"Til next time, GOD BLESS YOU
and GOD BLESS AMERICA

Laura Ann Martin's grandson, **Barrett**, received his heart transplant. She writes, "Barrett is doing very well and we send up many prayers that this will continue. We received a call at 5:15 a.m. on Sun., Feb. 12 that they had a heart and according to the doctors, 'it was a very good one.' Because of his age (19) and size (6'3" & 250 lbs.), they needed a larger heart. Lisa and Barry packed up the family and were on the road 20 minutes after they received the call. I called the other daughters and because it was Sunday morning, they notified many of the churches in our area. There were many, many prayers for Barrett going that day. At 8:30 that night, the surgery took place and by 9:30 his new heart was beating strong. We have sent up many prayers for the donor and his family as they gave Barrett and several others the wonderful gift of life."

Region III Tour

August 10, 11, 12, 2012
Van Wert, Ohio

Join us for a grand weekend in NW Ohio. **Registration is only \$45 per person** until July 15 when it goes to \$50 per person until August 5, our cut-off date. That includes TWO lunches, TWO evening dinners, TWO breakfasts and all tours. It's like the 1950s all over again!

FRIDAY: Arrive Holiday Inn Express (419-238-2600) by noon for lunch at motel. 1 pm board busses for tour of Antique Fire Equipment Museum and then a Mystery Tour that will interest everyone.

FRIDAY evening: Dinner at Black Swamp Bistro at 5:15, followed by music in Fountain Park at 7 (bring your own chairs). The music is by a group of musicians called the Brass Transit. Vocals will be reminiscent of Aretha Franklin, Natalie Cole, Frankie Valli, and others. Should be terrific! Outdoors. Back to hotel about 9 pm.

SATURDAY: Breakfast is included in cost of room. 9:30 into hospitality room for power point presentation of a wind turbine farm. Then onto busses to go to an actual wind turbine farm. OFF member Glenn McClure, who lives in the area, has such a farm but whether we will go to his farm is unknown at this time. Lunch will be at Mulligan's Pub and Bistro, recently opened at a golf club.

SATURDAY afternoon: Because this is a huge weekend in VanWert you will have the afternoon free. We will have a list of what you might want to do but if you look on the internet, you'll see that Routes 127 and the Lincoln Highway (Route 30) cross in VanWert and each of the highways will be having garage sales. I know, I don't need one more thing – well maybe just one more thing. The town is quaint.

SATURDAY evening: Dinner at the Hotel Marsh. Punch, cheese, crackers at 6 followed by a sit-down dinner at 6:30. About 7:30 Mr. Larry Webb will tell us the story of the Lincoln Highway.

SUNDAY morning: Breakfast and a short gathering to give thanks.

Nitty Gritty: On the shelf? Get your MOTEL reservations in yet today, please. Only 9 have done so. I have 20 rooms reserved until MAY 1. That was the deadline given by the motel manager, no budging. **Call: 419-238-2600** and say you are with the Ohio Flying Farmers, \$94 per night + tax. The rooms are quite nice. Share a room (preferably with someone you know) and cut the price by 50%!

Directions and all of that will be sent in July. For now, you must get your motel reservation made, please! We promise you will get your money's worth and then some!

Hop to it! If you have questions, contact Mary Gruber
